Roof Service Agreements
for HOAs, Apartment Complexes and Businesses

Did you know winterizing your roof will actually save you money. Save thousands each year.

We inspect the properties you manage twice per year. You pay a set cost to keep all your roofs headache free.

LITESPEEDCONSTRUCTION.COM

There many ways to save money on your roof. Often, fixing a roof after failure costs thousands of dollars, and may involve an insurance claim. Litespeed Construction offers Roof Service Agreements. Many HOAs, apartment complexes and businesses enjoy Litespeed's year round roof protection.

STEP 1

Get a free inspection. We inspect your roofs and show you the results on video. We're available online and in person to go over the results.

STEP 2

The inspection tells us about the health of your roof. We make recommendations to bring your roofs up to a unified standard.

That way, you know any weaknesses up front.
